(Email) Hi there!

My name is Tom and I'm from Canada. I live in a small town called Springfield. Springfield is a beautiful place with lots of trees and friendly people. I live in a house with my mom, dad, and my little sister, Lily. My mom works as a teacher at the local school, and my dad works at the town's library. I go to Springfield Elementary School, which is not far from my house. At school, I have many friends. Others like to play basketball, but my friend and I like to play soccer during our lunch breaks. During the day I read books with Lily, but after school, I usually ride my bike around the neighborhood with her. On weekends, my family and I enjoy going for hikes in the nearby woods. Springfield is a great place to live, and I'm happy to call it my home!
